KROWN RUST PROTECTION & UNDERCOATING

Protect your fleet investment with professional Krown Rust Protection. Krown's advanced rustproofing and undercoating treatment helps protect fleet vehicles against corrosion caused by moisture, road salt and harsh Canadian driving conditions. We can coordinate Krown treatment with regular fleet maintenance to reduce downtime and keep your vehicles protected.

EMPLOYEE RETENTION BENEFIT

Your fleet partnership can also create added value for your team. Ask us about our Employee Retention Program - an exclusive automotive service benefit that participating fleet businesses can make available to their employees. It is a practical workplace perk while partnering with a trusted local repair facility.

Fleet Program Benefits: Priority scheduling • Dedicated service advisor • Pick-up and drop-off at your convenience • Digital inspections and maintenance tracking • Clear communication
