

## **Experienced Automotive Technician**

### **Jake's Auto & Truck Repair | Draper, UT**

Jake's Auto & Truck Repair in Draper, UT has a rare opportunity for an immediate full-time superstar automotive technician to join our growing company. We're a family-owned operation known for quality repairs, honest recommendations, and respectful work environment. We work on domestic and Asian vehicles only — no European makes. Jake's Auto is a drug-free / smoke-free workplace.

We are looking for a fun-loving, energetic, supportive, and honest technician who has mechanical talent and good communication skills. Applicants must have a positive attitude, goal-oriented mindset, commitment to quality work, and the ability to think quickly and to always have our customers' best interest in mind.

Emissions and ASE certifications are a plus but not necessary. Technicians should be able to perform proper testing / diagnostic procedures, drivability concerns, and have a full knowledge of all systems in a vehicle i.e. electrical systems, AC systems, cooling systems, fuel systems, etc.

#### **Compensation & Perks**

- Pay negotiable depending on experience and skill level
- Performance-based commissions
- Weekly overtime opportunities
- Benefits including health, dental, vision, simple IRA with match, and paid time off
- Steady work in a well-equipped shop with modern tools, equipment, and digital systems
- Opportunities for continued training and growth

#### **What We're Looking For**

- 3+ years of professional automotive repair experience
- Expected hours: 7:00AM–5:00PM Monday–Thursday, 7:00AM–4:30PM Friday
- Strong diagnostic and problem-solving skills
- Experience working on a wide variety of domestic and Asian cars and light trucks
- Valid driver's license and clean driving record
- Emissions and ASE certifications are a plus, but not required

#### **Responsibilities**

- Diagnose, repair, and maintain vehicles efficiently and accurately
- Perform thorough inspections and clearly communicate findings
- Navigate and utilize digital workflow and repair order systems
- Document work performed and recommended services digitally
