

The parts and labor sold by this independently owned H-Tek Auto Care, (in connection with the services appearing on the final invoice) are warranted under normal use and operation for 36 months after the invoice date or before the vehicle described on the invoice has driven 36,000 miles beyond the recorded mileage at the time of invoice, whichever occurs first. The 3-year 36,000 miles applies to hard parts only. All fluid services performed will be warrantable for 12 months or 12,000 miles, or based upon the manufacturer's recommended service interval, whichever comes first. H-Tek Auto Care provides this warranty to the customer named on this invoice only and is not transferable to any other party. During the warranty period (36 months/36,000 miles or 12 months/12,000 miles for fluid services), H-Tek Auto Care will make, with reasonable promptness (subject to parts availability), any repairs or replacements of any parts sold under the final invoice and perform labor, that may be reasonably necessary to complete such repairs or replacements at no cost to the customer. This warranty does not cover, nor extend to, repairs or replacements made necessary by accident or collision whether related to the work performed or parts provided by H-Tek Auto Care, nor any damages for personal injury, death, property damage, or any other damages, liability, or costs of any kind whatsoever. This warranty does not cover, nor extend to, any repairs or replacements made necessary by misuse, negligence, abuse, neglect, or cause other than normal use and operation of the vehicle. Should any repairs be made to the vehicle (specifically the warranted repairs) by another repair facility without first contacting H-Tek Auto Care to obtain services under this warranty, all rights under this warranty are terminated as of the day and date of said unauthorized repair or other labor and H-Tek Auto Care shall have no obligation to honor such warranty.
